ABOUT THE CLEMENTS LEGISLATIVE STUDY PROGRAM

Founded in 2009, the TCCRI Clements Legislative Study Program is a project of the Texas Conservative Coalition Research Institute (TCCRI) that gives conservative college students the opportunity to learn about public policy development up close and firsthand as interns at the Texas Capitol. The program is the largest of its kind in Texas for conservative college students.

Through the Clements Legislative Study Program, TCCRI helps ensure that its founding principles: Limited Government, Individual Liberty, Free Enterprise, and Traditional Values – are instilled in the next generation of conservative leaders.
